

Quincy Chamber of Commerce and City of Quincy Bicycle Rack Program

*Quincy on the Go! Bicycling can help enhance the vitality, sustainability,
and livability of our City!*

The City of Quincy, the Quincy Chamber of Commerce and The Quincy Health, Beauty & Wellness League are offering an opportunity for members to purchase bicycle racks.

If you would like to purchase a bicycle rack through this initiative, please call the Quincy Chamber of Commerce at 617-471-1700. The Quincy Chamber will coordinate the installation of the racks at member business locations, or members may choose to purchase and donate the racks to the City and suggest locations that might be appropriate in your business district.

Please note that certain site specifications will apply. After your initial call to the Quincy Chamber, a representative from the Quincy Planning Department will contact you to perform a site evaluation for the placement of the bicycle rack(s).

There are two bicycle rack options from which to choose:

Inverted U Shape: Style U
Galvanized Finish: \$185
Powder Coat Black Finish: \$200

Prices Include Installation

Post & Ring: Style P&R
Galvanized Finish: \$225
Powder Coat Black Finish: \$235

Prices Include Installation

It's easy to participate!

Simply call the Quincy Chamber of Commerce by June 4, 2010 at
(617) 471-1700 and we'll take it from there!
